(b) (6) ,

Good afternoon and I hope your day is off to a good start. We are aggressively attempting to close out these referrals. Our security manager was out today, but we have a meeting scheduled with him tomorrow morning concerning FOIA matters. The 8/19/11 NRDC referral is only a few pages and we should be able to have it closed out by the week's end. I am hopeful we will be able to reach the same deadline for the 8/19/11 FOIA (Graff), but it is a bit more extensive.

Thank you very much.

Very Respectfully,

LCDR (b) (6)
Assistant Force Judge Advocate
Commander, Naval Forces Europe and Africa Commander, U.S. SIXTH Fleet

LN1 (b) (6) ,

The DON consolidated quarterly report has been submitted. (see attached) It was noted that SIXFLEET has cognizance over 2 of the 10 oldest pending "Consultations".

Your assistance is needed in developing a brief explanation for the 2 pending. Please provide the following information: restraints, expected completion date, along with the last date of action, action taken, and POA for each request. In addition, please note your case number and the agency that requested the initial consultation and their case number (for cross referencing).

If it's a resource issue, what resources are needed to expedite the remaining requests?

Respectfully request an alternate POC or program supervisors contact information for SIXFLEET, so we can update our subject matter and POC lists.

Action Due date: 8/1/2013

Thank you for your assistance.

Respectfully,

Robin Patterson
